

CALL FOR PAPERS (EXTERNAL)

Best Translational MedTech Research Award(2025)

- **Theme:** From Lab to Life: Interdisciplinary Translational Research for Healthcare Innovations
- Original research papers published in **Scopus Q1/Q2** or **Web of Science (Core Collection)** journals between **January 2025 and December 2025**, reflecting translational research in MedTech, are eligible.
- Only the **first author** or the **corresponding author** is eligible to apply. Only one application per publication is permitted.
- Duplicate applications for the same publication will be rejected.
- **Last date for submission:** 15th September 2026
- **Date of announcement of result:** 5th November 2026.
- **Note:** Applicants are requested to obtain the necessary permission from the publisher and ensure that there are no copyright violations. Proof of permission must be attached.
- The award-winning research publication will receive a cash prize of **Rs. 1 lakh** and a citation. The winner will also be given an opportunity to present a summary of the research work at the KMCT Group's research conference, **KMCT Confluence 2026**.
- While applying for the Best Research Award, there is no need to register separately for the conference.
- To submit your application, please visit: <https://kmctconfluence.dor.kmct.org/best-national-level-research-award>
